

HERITAGE WALK

A Journey through Sikkim's Cultural and Historical Landmarks

On **7th May**, the Hon'ble Minister of Tourism & Civil Aviation, Mr. Tshering Thendup Bhutia, flagged off the “**Gangtok Heritage Walk**” from Tashiling Secretariat. Organized under the theme “**Walking through Heritage, Honoring the Past,**” the event was held to commemorate **50 years of Statehood** and aimed to immerse participants in Sikkim's rich history while fostering a deeper appreciation of its cultural heritage.

The walk covered several culturally and historically significant sites, including **Enchey Monastery** and **Raj Bhawan**. At each stop, participants received insightful briefings on the historical importance of the locations, with Mr. Allen Targain, Vice President of the Hotel and Restaurant Association, providing expert commentary.
